Hebei Entry-Exit Inspection and
Quarantine Bureau

Dear Mr. Hao Junyong,

We are pleased to extend our invitation to **you, your colleague and Mr Sun Jinlong** to visit our company in Rutledge, Tennessee, U.S.A to discuss a business relationship in Alpaca's **during the week of February 23, 2009**. The main purpose of the visit is to view the animals and understand all aspects of alpaca production. This will consist of instructional lessons over all parts of alpaca production, which include but are not limited to:

- Handling
- Breeding
- Birthing
- Sheering
- Nutritional requirements
- Medical requirements
- Overall care of the animals
- Purchasing
- Quarantine procedures

This appears to be an excellent opportunity to meet in person and discuss future trade while also learning about the relationship between the U.S. and Chinese markets. It is my hope that you will take advantage of this opportunity and join us for a tour of our farm and our alpaca's. We look forward to developing a close business relationship with your company in the near future.

We are looking forward to your arrival and hope you have a safe and pleasant trip.

Yours sincerely,

Wayne England
Owner / Farm Manager
